Siddharth Nair

Materials Engineer

RESUME_1459

Location: Patna, Bihar, India | Email: siddharth.nair.resume_1459@example.com | Phone: +91-00000-00000 (placeholder)
Total Experience: 10 years

PROFESSIONAL SUMMARY

Materials Engineer with 10 years of experience in metallurgy, using Material Characterization, SEM, XRD, Metallography. Experienced in materials science, failure analysis and measurable delivery outcomes.

TECHNICAL SKILLS

Skills: Tensile Testing, Corrosion Testing, SEM, Metallography, ASTM Standards, Failure Analysis, XRD, Quality Control, DOE, Material Characterization, Heat Treatment

Methods: Materials science, Failure analysis, Quality assurance

PROFESSIONAL EXPERIENCE

Lead Materials Engineer | DeltaPoint Innovations | Jan 2023 - Present

- Reduced material reject rate by 32% after heat-treatment window optimization
- Extended accelerated corrosion resistance by 40% in comparative studies
- Improved mechanical test repeatability by 24% through standard preparation
- Coordinated engineering design reviews, acceptance criteria and test evidence with cross-functional stakeholders.

Materials Engineer | NovaPeak Engineering | Jan 2019 - Dec 2022

- Improved mechanical test repeatability by 38% through standard preparation
- Analyzed 262 metallurgical samples using documented acceptance criteria

Associate Materials Engineer | Asterline Engineering | Jul 2016 - Dec 2018

- Reduced material reject rate by 37% after heat-treatment window optimization
- Extended accelerated corrosion resistance by 37% in comparative studies

PROJECTS

Material Qualification Plan | DOE, Metallography, ASTM Standards, Heat Treatment

- Defined acceptance limits and verification methods for alternate grades.
- Documented acceptance criteria and evaluated the design using failure analysis and quality assurance.

Corrosion Resistance Trial | ASTM Standards, Corrosion Testing, Tensile Testing, DOE

- Tested coated coupons against accelerated exposure conditions.
- Documented acceptance criteria and evaluated the design using failure analysis and quality assurance.

EDUCATION

B.Tech in Metallurgical and Materials Engineering, Sahyadri College of Engineering, 2016

Relevant Methods: Materials science, Failure analysis, Quality assurance

CERTIFICATIONS

ASTM Test Standards Workshop (2026)
