Sneha Shah

NLP Engineer | Ahmedabad, Gujarat

Email: snehashah177@example.com | Phone: +91-9843734435

Professional Summary

Results-oriented NLP Engineer with 2+ years of experience building data-driven and production-focused solutions. Strong background in Git, SQL, Hugging Face, spaCy, BERT. Experienced in translating business requirements into measurable technical outcomes, collaborating with cross-functional teams, and delivering maintainable solutions.

Skills

Git, SQL, Hugging Face, spaCy, BERT, Transformers, NLP, PyTorch

Professional Experience

Vertex Digital — NLP Engineer

2024–Present

• Built and deployed document classification system using Git, SQL, Hugging Face, spaCy, BERT, improving operational efficiency by 17%.

• Collaborated with cross-functional teams to gather requirements, test models/services, and document production workflows.

• Used Transformers, NLP, PyTorch for development, analysis, deployment, monitoring, and version control.

Apex Infotech — Associate NLP Engineer

2022–2024

• Developed reusable pipelines, APIs, dashboards, or ML workflows aligned with business requirements.

• Participated in code reviews, testing, debugging, documentation, and deployment activities.

• Monitored performance and iterated on solutions based on stakeholder feedback and production results.

Projects

Document Classification System

• Built an end-to-end solution using Git, SQL, Hugging Face, spaCy, BERT, Transformers.

• Added validation, testing, logging, and documentation to improve reliability.

• Presented findings and implementation details to technical and non-technical stakeholders.

Education

M.Tech in Artificial Intelligence, 2023

Certifications

• Applied NLP Engineer Fundamentals

• Practical Python and Data Engineering

• Cloud and Deployment Foundations
