Ishaan Nair

Computer Vision Engineer | Delhi NCR

Email: ishaannair459@example.com | Phone: +91-9860192126

Professional Summary

Results-oriented Computer Vision Engineer with 2+ years of experience building data-driven and production-focused solutions. Strong background in NumPy, PyTorch, Python, CNNs, Docker. Experienced in translating business requirements into measurable technical outcomes, collaborating with cross-functional teams, and delivering maintainable solutions.

Skills

NumPy, PyTorch, Python, CNNs, Docker, Computer Vision, TensorFlow

Professional Experience

Nexa Systems — Computer Vision Engineer

2024–Present

• Developed image classification system for logistics, using NumPy, PyTorch, Python, CNNs, Docker; reduced processing time by 12%.

• Collaborated with cross-functional teams to gather requirements, test models/services, and document production workflows.

• Used Computer Vision, TensorFlow for development, analysis, deployment, monitoring, and version control.

QuantumWorks — Computer Vision Engineer

2022–2024

• Developed reusable pipelines, APIs, dashboards, or ML workflows aligned with business requirements.

• Participated in code reviews, testing, debugging, documentation, and deployment activities.

• Monitored performance and iterated on solutions based on stakeholder feedback and production results.

Projects

Image Classification System

• Built an end-to-end solution using NumPy, PyTorch, Python, CNNs, Docker, Computer Vision.

• Added validation, testing, logging, and documentation to improve reliability.

• Presented findings and implementation details to technical and non-technical stakeholders.

Education

B.Sc. in Computer Science, 2022

Certifications

• Applied Computer Vision Engineer Fundamentals

• Practical Python and Data Engineering

• Cloud and Deployment Foundations

Keywords

Computer Vision Engineer; NumPy, PyTorch, Python, CNNs, Docker, Computer Vision, TensorFlow; machine learning; data analysis; APIs; deployment; testing; Git; documentation; problem solving
