Isha Verma

Software Engineer | Bengaluru, Karnataka

Email: ishaverma483@example.com | Phone: +91-9872272153

Professional Summary

Results-oriented Software Engineer with 4+ years of experience building data-driven and production-focused solutions. Strong background in Docker, C++, Python, PostgreSQL, SQL. Experienced in translating business requirements into measurable technical outcomes, collaborating with cross-functional teams, and delivering maintainable solutions.

Skills

Docker, C++, Python, PostgreSQL, SQL, Linux, Git, REST APIs, Java, Unit Testing

Professional Experience

Nexa Systems — Software Engineer

2022–Present

• Designed and evaluated scalable REST API using Docker, C++, Python, PostgreSQL, SQL; automated 16% of the previous manual workflow.

• Collaborated with cross-functional teams to gather requirements, test models/services, and document production workflows.

• Used Linux, Git, REST APIs, Java, Unit Testing for development, analysis, deployment, monitoring, and version control.

Apex Infotech — Associate Software Engineer

2021–2022

• Developed reusable pipelines, APIs, dashboards, or ML workflows aligned with business requirements.

• Participated in code reviews, testing, debugging, documentation, and deployment activities.

• Monitored performance and iterated on solutions based on stakeholder feedback and production results.

Projects

Scalable Rest Api

• Built an end-to-end solution using Docker, C++, Python, PostgreSQL, SQL, Linux.

• Added validation, testing, logging, and documentation to improve reliability.

• Presented findings and implementation details to technical and non-technical stakeholders.

Education

B.Sc. in Computer Science, 2022

Certifications

• Applied Software Engineer Fundamentals

• Practical Python and Data Engineering

• Cloud and Deployment Foundations

Keywords

Software Engineer; Docker, C++, Python, PostgreSQL, SQL, Linux, Git, REST APIs, Java, Unit Testing; machine learning; data analysis; APIs; deployment; testing; Git; documentation; problem solving
