Nikhil Gupta

NLP Engineer | Mumbai, Maharashtra

Email: nikhilgupta498@example.com | Phone: +91-9897648351

Professional Summary

Results-oriented NLP Engineer with 3+ years of experience building data-driven and production-focused solutions. Strong background in NLP, PyTorch, spaCy, BERT, Transformers. Experienced in translating business requirements into measurable technical outcomes, collaborating with cross-functional teams, and delivering maintainable solutions.

Skills

NLP, PyTorch, spaCy, BERT, Transformers, Git, Hugging Face

Professional Experience

TechNova Solutions — NLP Engineer

2023–Present

• Designed and evaluated sentiment analysis pipeline using NLP, PyTorch, spaCy, BERT, Transformers; automated 13% of the previous manual workflow.

• Collaborated with cross-functional teams to gather requirements, test models/services, and document production workflows.

• Used Git, Hugging Face for development, analysis, deployment, monitoring, and version control.

Apex Infotech — NLP Engineer

2021–2023

• Developed reusable pipelines, APIs, dashboards, or ML workflows aligned with business requirements.

• Participated in code reviews, testing, debugging, documentation, and deployment activities.

• Monitored performance and iterated on solutions based on stakeholder feedback and production results.

Projects

Sentiment Analysis Pipeline

• Built an end-to-end solution using NLP, PyTorch, spaCy, BERT, Transformers, Git.

• Added validation, testing, logging, and documentation to improve reliability.

• Presented findings and implementation details to technical and non-technical stakeholders.

Education

B.E. in Information Technology, 2022

Certifications

• Applied NLP Engineer Fundamentals

• Practical Python and Data Engineering

• Cloud and Deployment Foundations
