Nikhil Mehta

NLP Engineer | Bengaluru, Karnataka

Email: nikhilmehta266@example.com | Phone: +91-9847216895

Professional Summary

Results-oriented NLP Engineer with 3+ years of experience building data-driven and production-focused solutions. Strong background in BERT, Git, spaCy, Python, Transformers. Experienced in translating business requirements into measurable technical outcomes, collaborating with cross-functional teams, and delivering maintainable solutions.

Skills

BERT, Git, spaCy, Python, Transformers, SQL, NLP

Professional Experience

DataBridge Labs — NLP Engineer

2023–Present

• Designed and evaluated document classification system using BERT, Git, spaCy, Python, Transformers; automated 17% of the previous manual workflow.

• Collaborated with cross-functional teams to gather requirements, test models/services, and document production workflows.

• Used SQL, NLP for development, analysis, deployment, monitoring, and version control.

Apex Infotech — Associate NLP Engineer

2021–2023

• Developed reusable pipelines, APIs, dashboards, or ML workflows aligned with business requirements.

• Participated in code reviews, testing, debugging, documentation, and deployment activities.

• Monitored performance and iterated on solutions based on stakeholder feedback and production results.

Projects

Document Classification System

• Built an end-to-end solution using BERT, Git, spaCy, Python, Transformers, SQL.

• Added validation, testing, logging, and documentation to improve reliability.

• Presented findings and implementation details to technical and non-technical stakeholders.

Education

B.Tech in Computer Science and Engineering, 2021

Certifications

• Applied NLP Engineer Fundamentals

• Practical Python and Data Engineering

• Cloud and Deployment Foundations

Keywords

NLP Engineer; BERT, Git, spaCy, Python, Transformers, SQL, NLP; machine learning; data analysis; APIs; deployment; testing; Git; documentation; problem solving
