Kunal Reddy

Software Engineer | Bengaluru, Karnataka

Email: kunalreddy42@example.com | Phone: +91-9868246664

Professional Summary

Results-oriented Software Engineer with 2+ years of experience building data-driven and production-focused solutions. Strong background in Java, Linux, C++, Git, PostgreSQL. Experienced in translating business requirements into measurable technical outcomes, collaborating with cross-functional teams, and delivering maintainable solutions.

Skills

Java, Linux, C++, Git, PostgreSQL, Python, REST APIs

Professional Experience

TechNova Solutions — Software Engineer

2024–Present

• Developed inventory management system for logistics, using Java, Linux, C++, Git, PostgreSQL; reduced processing time by 25%.

• Collaborated with cross-functional teams to gather requirements, test models/services, and document production workflows.

• Used Python, REST APIs for development, analysis, deployment, monitoring, and version control.

Vertex Digital — Software Engineer

2022–2024

• Developed reusable pipelines, APIs, dashboards, or ML workflows aligned with business requirements.

• Participated in code reviews, testing, debugging, documentation, and deployment activities.

• Monitored performance and iterated on solutions based on stakeholder feedback and production results.

Projects

Inventory Management System

• Built an end-to-end solution using Java, Linux, C++, Git, PostgreSQL, Python.

• Added validation, testing, logging, and documentation to improve reliability.

• Presented findings and implementation details to technical and non-technical stakeholders.

Education

M.Tech in Artificial Intelligence, 2023

Certifications

• Applied Software Engineer Fundamentals

• Practical Python and Data Engineering

• Cloud and Deployment Foundations
