Sneha Jain

NLP Engineer | Delhi NCR

Email: snehajain49@example.com | Phone: +91-9818126895

Professional Summary

Results-oriented NLP Engineer with 5+ years of experience building data-driven and production-focused solutions. Strong background in PyTorch, Hugging Face, NLP, BERT, Docker. Experienced in translating business requirements into measurable technical outcomes, collaborating with cross-functional teams, and delivering maintainable solutions.

Skills

PyTorch, Hugging Face, NLP, BERT, Docker, Python, SQL, Transformers, Git, spaCy

Professional Experience

NextGen Analytics — NLP Engineer

2021–Present

• Developed document classification system for SaaS, using PyTorch, Hugging Face, NLP, BERT, Docker; reduced processing time by 14%.

• Collaborated with cross-functional teams to gather requirements, test models/services, and document production workflows.

• Used Python, SQL, Transformers, Git, spaCy for development, analysis, deployment, monitoring, and version control.

InnoStack Technologies — NLP Engineer

2021–2021

• Developed reusable pipelines, APIs, dashboards, or ML workflows aligned with business requirements.

• Participated in code reviews, testing, debugging, documentation, and deployment activities.

• Monitored performance and iterated on solutions based on stakeholder feedback and production results.

Projects

Document Classification System

• Built an end-to-end solution using PyTorch, Hugging Face, NLP, BERT, Docker, Python.

• Added validation, testing, logging, and documentation to improve reliability.

• Presented findings and implementation details to technical and non-technical stakeholders.

Education

B.E. in Information Technology, 2022

Certifications

• Applied NLP Engineer Fundamentals

• Practical Python and Data Engineering

• Cloud and Deployment Foundations

Keywords

NLP Engineer; PyTorch, Hugging Face, NLP, BERT, Docker, Python, SQL, Transformers, Git, spaCy; machine learning; data analysis; APIs; deployment; testing; Git; documentation; problem solving
