Manav Verma

Materials Engineer

RESUME_1788

Location: Dehradun, Uttarakhand, India | Email: manav.verma.resume_1788@example.com | Phone: +91-00000-00000 (placeholder)
Total Experience: 10 years

PROFESSIONAL SUMMARY

Materials Engineer with 10 years of experience in metallurgy, using Material Characterization, SEM, XRD, Metallography. Experienced in materials science, failure analysis and measurable delivery outcomes.

TECHNICAL SKILLS

Skills: Heat Treatment, Failure Analysis, Tensile Testing, ASTM Standards, Quality Control, Metallography, SEM, XRD, DOE, Corrosion Testing, Material Characterization

Methods: Materials science, Failure analysis, Quality assurance

PROFESSIONAL EXPERIENCE

Lead Materials Engineer | SparrowCloud Labs | Jan 2023 - Present

- Reduced material reject rate by 18% after heat-treatment window optimization
- Analyzed 690 metallurgical samples using documented acceptance criteria
- Improved mechanical test repeatability by 21% through standard preparation
- Coordinated engineering design reviews, acceptance criteria and test evidence with cross-functional stakeholders.

Materials Engineer | DeltaPoint Innovations | Jan 2019 - Dec 2022

- Improved mechanical test repeatability by 29% through standard preparation
- Extended accelerated corrosion resistance by 34% in comparative studies

Associate Materials Engineer | TerraNex Solutions | Jul 2016 - Dec 2018

- Reduced material reject rate by 31% after heat-treatment window optimization
- Analyzed 230 metallurgical samples using documented acceptance criteria

PROJECTS

Material Qualification Plan | Failure Analysis, Heat Treatment, Metallography, SEM

- Defined acceptance limits and verification methods for alternate grades.
- Documented acceptance criteria and evaluated the design using failure analysis and quality assurance.

Fracture Root Cause Review | Metallography, Heat Treatment, XRD, SEM

- Prepared sample examination plans and failure mode documentation.
- Documented acceptance criteria and evaluated the design using failure analysis and quality assurance.

EDUCATION

B.Tech in Metallurgical and Materials Engineering, Aarohan Institute of Engineering, 2016

Relevant Methods: Materials science, Failure analysis, Quality assurance

CERTIFICATIONS

ASTM Test Standards Workshop (2021)
