Sahil Gupta

Materials Engineer

RESUME_1835

Location: Bengaluru, Karnataka, India | Email: sahil.gupta.resume_1835@example.com | Phone: +91-00000-00000 (placeholder)
Total Experience: 14 years

PROFESSIONAL SUMMARY

Materials Engineer with 14 years of experience in metallurgy, using Material Characterization, SEM, XRD, Metallography. Experienced in materials science, failure analysis and measurable delivery outcomes.

TECHNICAL SKILLS

Skills: Failure Analysis, Tensile Testing, Heat Treatment, Metallography, ASTM Standards, Quality Control, Material Characterization, SEM, Corrosion Testing, DOE, XRD

Methods: Materials science, Failure analysis, Quality assurance

PROFESSIONAL EXPERIENCE

Lead Materials Engineer | GlideArc Solutions | Jan 2021 - Present

- Extended accelerated corrosion resistance by 17% in comparative studies
- Analyzed 514 metallurgical samples using documented acceptance criteria
- Reduced material reject rate by 12% after heat-treatment window optimization
- Coordinated engineering design reviews, acceptance criteria and test evidence with cross-functional stakeholders.

Materials Engineer | BrioTech Labs | Jan 2017 - Dec 2020

- Reduced material reject rate by 41% after heat-treatment window optimization
- Improved mechanical test repeatability by 36% through standard preparation

Associate Materials Engineer | HelioNex Labs | Jul 2012 - Dec 2016

- Extended accelerated corrosion resistance by 36% in comparative studies
- Analyzed 429 metallurgical samples using documented acceptance criteria

PROJECTS

Alloy Heat-Treatment Study | SEM, Quality Control, Failure Analysis, ASTM Standards

- Compared hardness, microstructure and treatment parameter stability.
- Documented acceptance criteria and evaluated the design using failure analysis and quality assurance.

Corrosion Resistance Trial | ASTM Standards, DOE, Failure Analysis, Tensile Testing

- Tested coated coupons against accelerated exposure conditions.
- Documented acceptance criteria and evaluated the design using failure analysis and quality assurance.

EDUCATION

B.Tech in Metallurgical and Materials Engineering, Pragati Institute of Applied Sciences, 2012

Relevant Methods: Materials science, Failure analysis, Quality assurance

CERTIFICATIONS

Metallurgy Laboratory Safety (2025)
