# Ananya Mehta

Data Scientist | Ahmedabad, Gujarat

Email: ananyamehta324@example.com | Phone: +91-9820880123

## Professional Summary

Results-oriented Data Scientist with 4+ years of experience building data-driven and production-focused solutions. Strong background in Power BI, Git, scikit-learn, A/B Testing, Statistics. Experienced in translating business requirements into measurable technical outcomes, collaborating with cross-functional teams, and delivering maintainable solutions.

## Skills

Power BI, Git, scikit-learn, A/B Testing, Statistics, Python, Pandas, Tableau, SQL, NumPy

## Professional Experience

## Nexa Systems — Data Scientist

2022–Present

• Implemented production-ready sales forecasting with Power BI, Git, scikit-learn, A/B Testing, Statistics, achieving 37% improvement in a key business metric.

• Collaborated with cross-functional teams to gather requirements, test models/services, and document production workflows.

• Used Python, Pandas, Tableau, SQL, NumPy for development, analysis, deployment, monitoring, and version control.

## CloudAxis Systems — Data Scientist

2021–2022

• Developed reusable pipelines, APIs, dashboards, or ML workflows aligned with business requirements.

• Participated in code reviews, testing, debugging, documentation, and deployment activities.

• Monitored performance and iterated on solutions based on stakeholder feedback and production results.

## Projects

## Sales Forecasting

• Built an end-to-end solution using Power BI, Git, scikit-learn, A/B Testing, Statistics, Python.

• Added validation, testing, logging, and documentation to improve reliability.

• Presented findings and implementation details to technical and non-technical stakeholders.

## Education

B.Sc. in Computer Science, 2022

## Certifications

• Applied Data Scientist Fundamentals

• Practical Python and Data Engineering

• Cloud and Deployment Foundations

## Keywords

Data Scientist; Power BI, Git, scikit-learn, A/B Testing, Statistics, Python, Pandas, Tableau, SQL, NumPy; machine learning; data analysis; APIs; deployment; testing; Git; documentation; problem solving
