Ananya Verma

Machine Learning Engineer | Chennai, Tamil Nadu

Email: ananyaverma356@example.com | Phone: +91-9846780435

Professional Summary

Results-oriented Machine Learning Engineer with 1+ years of experience building data-driven and production-focused solutions. Strong background in Docker, MLflow, Git, PyTorch, SQL. Experienced in translating business requirements into measurable technical outcomes, collaborating with cross-functional teams, and delivering maintainable solutions.

Skills

Docker, MLflow, Git, PyTorch, SQL, Python, scikit-learn

Professional Experience

Vertex Digital — Machine Learning Engineer

2025–Present

• Developed recommendation system for healthcare, using Docker, MLflow, Git, PyTorch, SQL; reduced processing time by 12%.

• Collaborated with cross-functional teams to gather requirements, test models/services, and document production workflows.

• Used Python, scikit-learn for development, analysis, deployment, monitoring, and version control.

BlueOrbit Software — Associate Machine Learning Engineer

2023–2025

• Developed reusable pipelines, APIs, dashboards, or ML workflows aligned with business requirements.

• Participated in code reviews, testing, debugging, documentation, and deployment activities.

• Monitored performance and iterated on solutions based on stakeholder feedback and production results.

Projects

Recommendation System

• Built an end-to-end solution using Docker, MLflow, Git, PyTorch, SQL, Python.

• Added validation, testing, logging, and documentation to improve reliability.

• Presented findings and implementation details to technical and non-technical stakeholders.

Education

B.Sc. in Computer Science, 2022

Certifications

• Applied Machine Learning Engineer Fundamentals

• Practical Python and Data Engineering

• Cloud and Deployment Foundations

Keywords

Machine Learning Engineer; Docker, MLflow, Git, PyTorch, SQL, Python, scikit-learn; machine learning; data analysis; APIs; deployment; testing; Git; documentation; problem solving
